The petition for revival under 37 CFR 1.137(b) filed 16 July 2008 in the above-captioned application is hereby **GRANTED** as follows:

The present application became abandoned with respect to the United States at midnight on 19 May 2007 based on applicants' failure to file a proper response to the "Notification Of Missing Requirements" (Form PCT/DO/EO/905) mailed 19 March 2007.

On 05 February 2008, the United States Designated/Elected office (DO/EO/US) mailed a Notification Of Abandonment (Form PCT/DO/EO/909) confirming the abandonment of the application.

The present petition for revival was accompanied by payment of the required petition fee and the "required reply" in the form of a proper response to the Notification Of Missing Requirements mailed 19 March 2007, that is, an executed declaration in compliance with 37 CFR 1.497. In addition, the petition includes a statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional," satisfying the requirement of 37 CFR 1.137(b)(3).

Based on the above, the requirements of 37 CFR 1.137(b) have been satisfied. Accordingly, the request to revive the international application with respect to the United States is appropriately granted.

This application is being referred to the National Stage Processing Division of the Office of PCT Operations for further processing in accordance with this decision. The date under 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) is 16 July 2008.
